Should Tenant request, and should Landlord agree at its sole discretion, to conduct an in-person inspection with Landlord, Tenant shall pay a **\$100 IN-PERSON INSPECTION ADMIN FEE**.
- B. **Move-Out Inspection:** It is agreed that the move-out inspection will be made within ten (10) business days after Tenant has completely vacated the premises and notified Landlord in writing. Said inspection will be conducted during normal business hours Monday through Friday. No Move-Out inspection will be made on holidays or weekends. Tenant shall keep all utilities serving the premises on at all times during the term of the rental agreement including but not limited to garbage, water, electric, and gas. Tenant will be charged a **\$75 TRIP CHARGE FEE** if Landlord must come back to inspect property due to Tenant not being completely moved out.
- C. **Routine Inspection:** It is understood and agreed that routine inspections will be performed approximately every 6 months. The purpose of the routine inspections is to document the condition of the property and to make sure that there are not any necessary repairs or maintenance needed. The routine inspection should take less than 20 minutes and will also consist of photographs of the outside and inside, including every room. Tenant will be charged a **\$75 TRIP CHARGE FEE** if the property is not accessible to the inspector unless at least a 24-hour notice to reschedule is given. Tenant has a right to be present during the inspection.

29. LEASE VIOLATION AND HOA VIOLATION ADMIN FEE: There will be a **\$75 LEASE VIOLATION FEE** per occurrence anytime the Landlord or Agent receives a letter for rule enforcement from the Home Owners Association (HOA) and/or tenant has violated a condition of the lease agreement. This fee is in addition to any fine charged by the HOA. Lease violations are at the sole interpretation of the Agent and will lead to termination by non-renewal or eviction.

30. INDEMNIFICATION: Tenant agrees to indemnify and hold Landlord and Agent harmless from and against any and all injuries, damages, losses, suits and claims against Landlord and/or Agent arising out of or related to: (1) Tenant's failure to fulfill any condition of this Lease; (2) any damage or injury happening in or to Property or to any improvements there on as a result of the acts or omissions of Tenant or Tenant's family members, invitees or licensees; (3) Tenant's failure to comply with any requirements imposed by any governmental authority; (4) any judgment, lien or other encumbrance filed against Property as a result of Tenant's actions and any damage or injury happening in or about Property to Tenant or Tenant's family members, invitees or licensees (except if such damage or injury is caused by the intentional wrongful acts of Landlord or Agent); (5) failure to maintain or repair equipment or fixtures, where Landlord and/or Agent use their best efforts to make the necessary repairs within a reasonable time period and Tenant covenants not to sue Landlord or Agent with respect to any of the above-referenced matters. In addition to the above, Tenant agrees to hold Agent harmless from and against Owner of the Property for not paying or keeping current with any mortgage, property taxes or Home Owners Association fees on the Property or not fulfilling the Landlord's obligations under this Rental Agreement. For the purpose of this paragraph, the term "Agent" shall include all affiliated licensees and employees.

31. JURY WAIVER: For the purposes of this Agreement and any lease agreements between TENANT/OWNER/LANDLORD and/or PROPERTY MANAGER/AGENT, all parties agree that any resolution will be resolved by a Bench Trial and each party EXPRESSLY WAIVES its right to a Jury Trial and agrees that any and all conflicts involving litigation shall be resolved by a Bench Trial.

32. LIABILITY: Agent is not responsible to Tenant, Tenant's guests, family, or occupants for any damages, injuries, or losses to person or property caused by fire, flood, water leaks, ice, snow, hail, winds, explosion, smoke, interruption of utilities, theft, burglary, robbery, assault, vandalism, other persons, condition of the Property, environmental contaminants or other occurrences or casualty losses. Tenant will promptly reimburse Agent for any loss, property damage, or cost of repairs or service to the Property caused by Tenant, Tenant's guests, any occupants, or any approved animals.

33. RIGHT TO ACCESS: The Tenant shall not withhold consent to the Landlord to enter the dwelling unit in order to inspect the premises; make necessary or agreed repairs, decorations, alterations, or improvements; supply necessary or agreed services; or exhibit the dwelling unit to prospective or actual purchasers, mortgagees, tenants, workmen, or contractors. Tenant understands that there will be a **\$75 TRIP CHARGE FEE** for all missed appointments. Agent or 3rd Party Vendor may take interior and exterior photos or video of the property for advertising purposes. Tenant understands and agrees that Agent can list the property and place a sign at property once a notice to vacate has been received and can show the property to prospective tenants 60 days from the lease expiration date and agrees to be accommodating to showings during normal business hours and reasonable after hours and weekend hours. **Tenants that withhold consent to make the**

property accessible for showings will be subject to a \$75 FAILURE TO ACCOMMODATE SHOWING per occurrence. The Landlord or Landlord's agent may enter the dwelling unit without consent of the Tenant:

- A. At any time in case of emergency including but not limited to prospective changes in weather conditions which pose a likelihood of danger to the property may be considered an emergency; and
- B. Between the hours of 9:00am and 6:00pm for the purpose of providing regularly scheduled periodic services such as changing furnace or air-conditioning filters, providing termite, insect, or pest treatment, and the like, provided that the Landlord announces intent to enter to perform services; and
- C. Between the hours of 8:00am and 8:00pm for the purpose of providing services requested by the Tenant and that prior to entering the Landlord announces intent to enter to perform services.

The Landlord shall not abuse the right of access or use it to harass the Tenant. Except as outlined above, the Landlord shall give the Tenant at least 24 hours notice of intent to enter. The Landlord has no other right of access except; pursuant to court order, as permitted by the South Carolina Residential Landlord and Tenant Act when accompanied by a law enforcement officer for the purpose of service of process in ejectment proceedings, or unless the Tenant has abandoned or surrendered the premises.

34. MILITARY CLAUSE: If the Tenant is a member, or becomes an active member of the Armed Forces of the United States, or is a reservist called to active duty of the Armed Forces of the United States, and is stationed in the Greenville County area, and shall receive permanent change of station orders out of the Greenville County area, or be deployed for not less than ninety (90) days, Tenant may, upon presentation of a copy of said orders of transfer or deployment to the Landlord, along with thirty (30) days written notice of intent to vacate and payment of all rent to the expiration date of such written notice, and any miscellaneous charges in arrears, terminate this Rental Agreement. Normal enlistment termination or other type of discharge from Armed Forces, unless due to conditions beyond the service member's control, or acceptance of government quarters is not a permanent change of station and is not justification for lease termination. Withholding knowledge of pending transfer or discharge at time of entry into this Rental Agreement voids any consideration or protection offered by this section.

35. DESTRUCTION OR DAMAGE TO PREMISES: If the dwelling unit or premises are damaged or destroyed by fire or casualty to extent that normal use and occupancy of the dwelling unit is substantially impaired, the Tenant may:

- A. Immediately vacate the premises and notify the Landlord in writing within seven (7) days thereafter of Tenant's intention to terminate the Rental Agreement in which case the Rental Agreement terminates as of the date of vacating; or
- B. If continued occupancy is lawful, vacate any part of the dwelling unit rendered unusable by the fire or casualty, in which case the Tenant's liability for rent is reduced in proportion to the diminution in the fair-market rental value of the dwelling unit.

Unless the fire or casualty was due to the Tenant's negligence or otherwise caused by the Tenant, if the Rental Agreement is terminated, the Landlord shall return security deposit to the Tenant with the proper accounting as required by law. Accounting for rent in the event of termination or apportionment must be made as of the date of the fire or casualty. The Landlord shall withhold from the Tenant's security deposit all damages incurred if the fire or casualty was due to the Tenant's negligence or otherwise caused by the Tenant, with proper accounting as required by law.

36. CONDEMNATION AND FORECLOSURE: Tenant hereby waives any injury, loss, or damage, or claim therefore against Landlord resulting from any exercise of a power of eminent domain of all or any part of the rented premises or surrounding grounds of which they are a part. All awards of the condemning authority for the taking of land, parking areas or buildings shall belong exclusively to the Landlord. In the event substantially all of the rented premises shall be taken, this Rental Agreement shall terminate as of the date the right to possession vested in the condemning authority and rent shall be apportioned as of that date. In the event any part of the property and/or building or buildings of which the rented premises are a part (whether or not the rented premises shall be affected) shall be taken as a result of the exercise of a power of eminent domain and the remainder shall not in the opinion of the Landlord, constitute an economically feasible operating unit, Landlord may, by written notice to Tenant given within sixty (60) days after the date of taking, terminate this Rental Agreement as of a date set out in the notice not earlier than thirty (30) days after the date of the notice; rent shall be apportioned as of the termination date. **If the residential unit is subject to a foreclosure proceedings or tax sale notice of said sale does not release the Tenant from Tenant's obligations in this lease nor does it authorize the Tenant to withhold rent.**

37. ABSENCE, NON-USE, AND ABANDONMENT: The unexplained absence of a Tenant from a dwelling unit for a period of fifteen (15) days after default in the payment of rent must be construed as abandonment of the dwelling unit. If the Tenant abandons the dwelling unit before the expiration of the Rental Agreement, it terminates as of the date of the new tenancy subject to the other Landlord's remedies. If the Landlord fails to use reasonable efforts to rent the dwelling unit at a fair rental or if the Landlord accepts the abandonment as surrender, the Rental Agreement is considered to be terminated by the Landlord as of the date the Landlord has notice of the abandonment. When a dwelling unit has been abandoned or the Rental Agreement has come to an end and the Tenant has removed a substantial portion of personal property or voluntarily and permanently terminated the utilities and has left personal property in the dwelling unit or on the premises with a fair-market value of \$500 or less, the Landlord may enter the dwelling unit, using forcible entry if required and dispose of the property. Tenant will be responsible for reimbursing Landlord for this cost.

38. NONCOMPLIANCE WITH RENTAL AGREEMENT OR FAILURE TO PAY RENT:

If there is a noncompliance by the Tenant with the Rental Agreement other than nonpayment of rent or a noncompliance with Paragraphs 26 or 27 above, the Landlord may deliver a written notice to the Tenant specifying the acts and omissions constituting the breach and that the Rental Agreement will terminate, at Agent's sole discretion, upon a date not less than fourteen (14) days after receipt of the notice.

The Landlord may recover actual damages and obtain injunctive relief in magistrate's or circuit court without posting bond for any noncompliance by the Tenant with the Rental Agreement or Paragraphs 26 or 27 above. If the Tenant's noncompliance is willful other than nonpayment of rent, the Landlord may recover reasonable attorney's fees. If the Tenant's nonpayment of rent is not in good faith, the Landlord is entitled to reasonable attorney's fees.

If there is noncompliance by the Tenant with Paragraphs 26 or 27 above, materially affecting health and safety that can be remedied by repair, replacement of a damaged item, or cleaning and the Tenant fails to comply as promptly as conditions require in case of emergency, or within fourteen (14) days after written notice by the Landlord specifying the breach and requesting that the Tenant remedy it within that period of time, the Landlord may enter the dwelling unit and cause the work to be done in a workmanlike manner and shall in addition have the remedies available under the South Carolina Residential Landlord Tenant Act.

If there is noncompliance by the Tenant with Paragraphs 26 or 27 above materially affecting health and safety other than as set forth in the preceding paragraph, and the Tenant fails to comply as promptly as conditions require in case of emergency, or within fourteen (14) days after written notice by the Landlord if it is not an emergency, specifying the breach and requesting that the Tenant remedy within that period of time, the Landlord may terminate the Rental Agreement.

39. REMEDY AFTER TERMINATION: If the Rental Agreement is terminated for any cause, the Landlord has a right to possession, for rent, and a separate claim for actual damages for breach of the Rental Agreement, reasonable attorney's fees, collection costs, and court costs. Should landlord prevail in litigation initiated by Landlord as a result of Tenant non-compliance or prevail in any action by Tenant brought without due cause, Tenant agrees to be responsible for Landlord's reasonable attorney fees when applicable. **Any claim not satisfied by Tenant may be turned in to the credit bureau or collection agency and will be responsible for any attorney fees involved.**

40. EARLY LEASE TERMINATION WITH NOTICE: In the event a Tenant may request an early lease termination, Tenant may request Landlord to seek an approved replacement tenant and must strictly adhere to ALL of the following procedures:

1. Tenant must pay Landlord the **LEASE TERMINATION FEE equal to One Month's Rent** at time of notice given.
2. Tenant must specify a move out date.
3. Upon receipt of payment, Landlord will begin to advertise the property in the attempts to locate a replacement tenant at terms equal to or acceptable to Landlord per the current lease agreement.
4. Any replacement tenant must, in Landlord's discretion, be acceptable as a tenant and must sign a new lease agreement with terms not less favorable to Landlord than this lease.
5. Tenant will continue to pay the agreed to monthly rent, pet rent, pet fees, resident benefits package, and all other charges and fees until a replacement tenant is located, a new lease agreement is executed, and the replacement tenant moves in.
6. Tenant is required to leave on all utilities until a replacement tenant is located, a new lease agreement is executed, and the replacement tenant moves in. If utilities are turned off before replacement tenant moves in, you will be charged the **\$150** failure to keep utilities on fee.
7. Tenant will vacate the home on or before the specified date given for their early move out. Tenant is required to vacate the property at least 10 days prior to replacement tenant move in to allow time for cleaning, carpet cleaning, painting, and any repairs. Although the Landlord needs this time to prepare the house for renting, tenant is required to pay rent, all fees, and utilities until the replacement tenant takes possession.
8. All security deposits are then subject to the guidelines contained in this lease.

The **One Month's Rent LEASE TERMINATION FEE** will be charged for any nonstandard lease endings such as abandonment or eviction.

41. LEASE MODIFICATION FEE: There will be a **\$50 LEASE MODIFICATION FEE** charged if a tenant wants an administrative action that will cause the lease agreement to be modified. If a resident would like to remove an occupant, add an occupant, add an approved pet, or anything that will cause the lease to be modified, a **\$50 LEASE MODIFICATION FEE** will be charged to the tenant.

42. NOTICE: A Landlord receives notice when it is delivered at the place of business of the Landlord through which the Rental Agreement was made or at any place held out by Landlord as the place of receipt of the communication.

43. WAIVER: A Tenant is considered to have waived violation of a Landlord's duty to maintain the premises as set forth by the Rental Agreement or violation of the Landlord's duties under the South Carolina Residential Landlord and Tenant Act, as defense in an action for possession based upon nonpayment of rent, or in an action for rent concerning a period where the Landlord has no notice of the violation of the duties, fourteen (14) days before rent is due for violations involving services other than essential services, or the Landlord has no notice before rent is due which provides a reasonable opportunity to make emergency repairs necessary for the provision of essential services. No modification, change, or cancellation hereof shall be valid unless in writing and executed by all parties hereto.

44. PEACEFUL ENJOYMENT: The Landlord covenants that the Tenant, on paying the rent and performing the covenants hereof, shall and

may peacefully and quietly have, hold, and enjoy the rented premises for the term mentioned without hindrance or interruption by the Landlord.

45. PROVISIONS: The provisions of this Rental Agreement shall be binding upon and inure to the benefit of the Landlord and the Tenant, and their respective successors, legal representatives, and assigns.

46. SUBORDINATION: Tenant's rights are subject to any bona fide mortgage which now covers said premises and which may hereafter be placed on said premises by Landlord. Tenant shall upon request by Landlord execute a subordination of its rights under this Rental Agreement to any mortgage given by Landlord hereunder, whether to secure construction or permanent or other financing. Resident shall upon request by Landlord promptly execute a certification of good standing certifying the terms of this Rental Agreement, its due execution, the rental provisions hereof, or the terms of amendments hereto, if any, and any other information reasonably requested.

47. JOINT RESPONSIBILITY: If more than one (1) Tenant executes this Rental Agreement, the responsibility and liabilities herein imposed shall be considered and construed to be joint and several, and the use of the singular shall include the plural. **Rental amount stipulated in Paragraph 4 is not divisible and each Tenant individually will be held liable for the entire amount, not solely a portion thereof. Likewise, each Tenant individually will be held liable for the term of the lease stipulated in Paragraph 3.**

48. LANDLORD'S ADDRESS FOR COMMUNICATIONS: All notices, requests, and demands unless otherwise stated herein, shall be addressed, and sent to:

Physical and Mailing Address:

100 W. Stone Avenue Greenville, SC 29609

Phone Number: 864-527-4505

Fax Number: 864-232-8859

49. CAPTIONS: Any heading preceding the text of any paragraph hereof is inserted solely for the convenience of reference and shall not constitute a part of this Rental Agreement, nor shall they affect its meaning, construction or affect.

50. FACSIMILE AND OTHER ELECTRONIC MEANS: The parties agree that this Agreement may be communicated by use of a fax or other secure electronic means, including but not limited to electronic mail and the internet, and the signatures or initials (written or electronic) and handwritten or typewritten modifications to any of the foregoing shall be deemed to be valid and binding upon the parties as if the original signatures, initials and handwritten or typewritten modifications were present on the documents in the handwriting of each party. If Tenant requests a paper copy of the lease to sign rather than signing by electronic signature, or if Tenant has not provided e-mail addresses for every named Tenant on the lease agreement by the time that Agent sends out the lease renewal offer, Tenant shall pay a **\$25 PAPER LEASE PREPARATION & POSTAGE ADMIN FEE**, and the deadlines described above for the various Lease Renewal Admin Charges shall be based upon the date that Agent actually receives the signed lease renewal, not the date that Tenant signs or mails the lease.

51. MEGAN'S LAW: The Tenant and Landlord agree that the Property Manager or Real Estate Broker representing Tenant or Landlord and all affiliated agents are not responsible for obtaining or disclosing any information contained in the South Carolina Sex Offender Registry. The Tenant and Landlord agree that no course of action may be brought against the Property Manager or Real Estate Broker representing Tenant or Landlord and all affiliated agents for failure to obtain or disclose any information contained in the South Carolina Sex Offender Registry. The Tenant agrees that the Tenant has the sole responsibility to obtain any such information. The Tenant understands that Sex Offender Registry information may be obtained from the local sheriff's department or other appropriate law enforcement officials.

52. ENTIRE AGREEMENT: This lease contains the entire agreement between the parties hereto and all previous negotiations leading thereto, and it may be modified only by a dated written agreement signed by both Landlord and Tenant. No surrender of the Premises or of the remainder of the term of this lease shall be valid unless accepted by Landlord in writing. **TIME IS OF THE ESSENCE WITH REGARD TO ALL TERMS AND CONDITIONS IN THIS AGREEMENT.**

53. NON-RELIANCE CLAUSE: Both Tenant and Landlord hereby acknowledge that they have not received or relied nor could have relied upon any statements or representations or promises or agreements or inducements by either Broker or their agents which are not expressly stipulated herein. If not contained herein, such statements, representations, promises, or agreements shall be of no force or effect. This general non-reliance clause shall not prevent recovery in tort for fraud or negligent misrepresentation or intentional misrepresentation unless specific non-reliance language is included in this agreement. This is a non-reliance clause and is neither a merger clause nor an extension of a merger clause. The parties execute this agreement freely and voluntarily without reliance upon any statements or representations by parties or agents except as set forth herein.

Parties have fully read and understand this Agreement and the meaning of its provisions. Parties are legally competent to enter into this agreement and to fully accept responsibility. Parties have been advised to consult with counsel before entering into this agreement and have had the opportunity to do so.

54. PROPERTY MANAGEMENT AND COMMUNICATION WITH LANDLORD: Agent is the authorized representative of Landlord

for the purposes of managing Property in accordance with a separate management agreement. The termination of the management agreement shall not terminate this Residential Rental Agreement. **TENANT IS NOT AUTHORIZED TO COMMUNICATE DIRECTLY WITH LANDLORD. TENANT SHALL COMMUNICATE WITH LANDLORD SOLELY THROUGH AGENT.** Tenant expressly acknowledges and agrees that all of Tenant's inquiries, requests, demands, notices, or other communications intended for Landlord shall be communicated solely to and through Agent, the Landlord's agent under the Lease. This means that Tenant, or anyone acting on behalf of Tenant, is prohibited from attempting any direct contact with Landlord through any communication medium or in-person contact. Tenant understands that Landlord has retained Agent to exclusively lease and manage the Property and desires to have all communications concerning the Property or Lease handled through Agent. Tenant further acknowledges and agrees that any violation of this provision shall be considered an obstruction of Agent's leasing and management duties and responsibilities and Tenant shall be charged a **\$100 COMMUNICATION WITH OWNER ADMIN FEE** per occurrence.

55. LEAD-BASED PAINT DISCLOSURE FOR MOST RESIDENTIAL PROPERTIES BUILT BEFORE 1978: See Lead- Based Paint Disclosure Addendum attached (only applies to most rental properties built before 1978).

56. PETS: Tenant shall not keep domestic or other animals on or about the premises without the PRIOR WRITTEN CONSENT of the Landlord (this includes visiting pets, "pet sitting," short-term pets, fish tanks, etc.). Landlord, at Landlord's sole discretion, may consent if Tenant submits a pet application through PetScreening.com and makes the following payment: **Tenant agrees to pay a \$200 PET ADMIN FEE PER PET at time of lease signing and \$35 MONTHLY PET ADMIN FEE PER PET. For any pets that are approved after initial lease signing, Tenant agrees to pay a \$400 ADDITIONAL PET ADMIN FEE PER PET and \$35 MONTHLY PET ADMIN FEE PER PET.** Pet Admin Fees are required for a minimum of 12 months regardless if pet is at the property for less than 12 months. Pet Admin Fees can be canceled after 12 months if pet is no longer on the premises. Tenant shall be fully responsible and liable for the animal, its behavior, any personal injuries, and any damage done by the animal. The Landlord shall have the right to withdraw consent and demand removal of any previously permitted animal upon the first complaint registered against such animal or upon evidence of injury or damage to person or property caused by the animal.

All Pet Admin Fees are non-refundable. No part of the Pet Admin Fee will be used by Landlord for the purposes of flea treatment, cleaning, carpet cleaning, or damages. Landlord has the right to remedy any damages caused by pets by using funds from the security deposit. Tenant may not substitute any other animal that was approved from original application without prior written consent from Landlord.

Any unauthorized pet is subject to a \$500 UNAUTHORIZED PET FEE, regardless of how long the pet has been on the property. In addition, Tenant shall be charged the PET ADMIN FEES that would have been charged for the pet dated back to the beginning of this Agreement. Furthermore, the \$500 UNAUTHORIZED PET FEE will be charged for each month that there is an unauthorized pet on the property. Tenant shall remit payment of this total amount no later than thirty (30) days from notice being sent. Agent may conduct an interior inspection of the premises upon obtaining knowledge of an unapproved pet, the cost of which shall also be charged to the tenant. Tenant shall be prompt in scheduling this inspection with the inspection vendor.

Paragraph 56 does not apply for Service / Companion / Assistance Animals, which are not considered pets.

57. MOVE OUT PROCEDURES: Tenant is required to give at least a 60 Day Notice to Vacate in writing as defined in Paragraph 24. Tenant agrees to have the house professionally cleaned and to have all carpets professionally cleaned by the vendors that Agent selects at the end of the lease term. We require that you use our preferred vendors so that we can ensure that additional cleaning will not be necessary and therefore you will not be charged for additional cleaning. All required cleaning will be scheduled by Agent after return of the possession of the property. As a reminder, please make sure you replace any burned out light bulbs, replace batteries in smoke detectors, change HVAC filters, and replace drip pans on the stove before vacating the unit. Tenant is required to have the yard cut, weeds removed, and bushes trimmed at the end of the lease term. Tenant is required to provide a forwarding address for the purposes of returning the security deposit. If there are excessive damages, in Agent's sole discretion, to the property caused by tenant negligence, which is above and beyond normal wear and tear, tenant will be charged a **\$150 MAKE RENT READY OVERSIGHT FEE** to coordinate any repairs to the property that were caused by the tenant, tenant's guest, or pets.

58. NO SMOKING POLICY: Tenant and guests of Tenant may not smoke or vape inside the property, garage, storage buildings, porches, decks, or stoops or on the grounds of the property. Tenant will be held responsible for any damage caused from smoking by Tenant or any guests of Tenant. If there is evidence of smoking on the premises or in the home, this will be considered a breach of lease and termination may be enforced. If tenant is found to have smoked in Premises, Tenant shall be charged a **\$250 SMOKING CLEANUP ADMIN FEE** to Agent, in addition to actual smoke cleanup costs.

WHEREFORE, the parties have executed this Rental Agreement or caused the same to be executed by their authorized representative, the day and year first above written.

THIS RENTAL AGREEMENT supersedes all prior written or oral agreements and can be amended only through a written agreement signed by both parties. Provisions of this Rental Agreement shall bind and inure to the benefit of the Landlord and to the Tenant and their respective heirs, successors, and assigns. **TENANT AGREES TO RECEIVE COMMUNICATIONS FROM LANDLORD AND THEIR AGENTS AT THE EMAIL ADDRESS AND PHONE NUMBERS LISTED BELOW.**

Not all mold is readily visible, but when it is, can often be seen in the form of discoloration, ranging from white to orange and from green to brown and black, and often there is a musty odor present. Reducing moisture and proper housekeeping significantly reduces the chance of mold and mold growth.

CLIMATE CONTROL: Tenant(s) agree to use all air-conditioning in a reasonable manner and use heating systems in moderation and to keep the premises properly ventilated by using ventilation fan in the bathroom during and after showering and in the kitchen when cooking. PET AGREEMENT

1. Only common household pets will be allowed. These include dogs, cats, fish, birds, rabbits, and rodents, such as guinea pigs and hamsters, kept as companion animals. No tenant will be allowed to keep more than 0 cat(s) and 0 dog(s). Requests to keep more than one pet of any other species will be approved at Agent's discretion. Tenant shall not keep domestic or other animals on or about the premises without the **PRIOR WRITTEN CONSENT** of the Landlord (this includes visiting pets, "pet sitting," short-term pets, fish tanks, etc.).
2. Pets are to be kept inside the tenant's dwelling. All pets must be house trained. Dogs going in and out of the dwelling must be on leash and under the tenant's control. If an off-leash area has been designated by Agent on the building grounds, dogs may be taken off-leash in that area, provided the tenant remains with the dog at all times.
3. Tenant is responsible for keeping all areas where pets are housed clean, safe, and free of parasites, including fleas. Dog owners must immediately pick up and dispose of, in a sanitary manner, all dog waste deposited on the street or grounds. Cat owners must place soiled cat litter in tied plastic bags and dispose of the bags in garbage pails designated by Agent.
4. All pets must receive proper veterinary care, including all appropriate inoculations; must be well-groomed, and must be given a healthy diet and exercised according to their needs. All pets must also be maintained in accordance with applicable state and local laws. Dogs and cats must wear identification tags at all times.
5. No pet is to be left alone in a tenant's unit for a period longer than that which is appropriate considering the needs of the individual pet. While this period may vary depending on the pet in question, landlord and tenant understand that, in general, dogs should not be left alone for more than 8 hours, and other pets for more than 24 hours, on a regular basis. When Agent has reasonable cause to believe a pet is alone in a dwelling and either that pet is creating a disturbance, or any other emergency situation appears to exist with respect to that pet, Agent will attempt to contact the tenant to remedy the situation. If Agent is unable to contact the tenant within a reasonable period, Agent may enter tenant's dwelling and make any necessary arrangements for the pet's care, including removing the pet and placing it in a temporary home, such as a boarding kennel. Any costs incurred will be the responsibility of the Tenant.
6. Tenant is responsible for ensuring that their pets do not disturb or annoy other tenants or neighbors. Tenants whose pet(s) are determined by Agent to be disturbing others must remedy the situation immediately. A tenant who fails to remedy the situation after 1 warning will receive a 10-day notice to remove the pet from the premises. If the tenant fails to remove the pet, the tenant will be considered in breach of tenant's lease agreement and may be grounds for eviction.
7. Tenant is responsible for and must immediately pay for all damages or injuries caused by their pets. In addition, **Tenant agrees to pay a \$200 PET ADMIN FEE PER PET at time of lease signing and a \$35 MONTHLY PET ADMIN FEE PER PET.** Pet Admin Fees are required for a minimum of 12 months regardless if pet is at the property for less than 12 months. Pet Admin Fees can be canceled after 12 months if pet is no longer on the premises. If the cost of repairing any damages caused by the pet exceeds the security deposit, the tenant must immediately restore the deposit to its full, original amount.
8. Pet Admin Fees are non-refundable. No part of Pet Admin Fee will be used by the Landlord for the purposes of flea treatment, cleaning, carpet cleaning, or damage. Landlord has the right to remedy any damages caused by pets by using funds from the security deposit. Tenant may not substitute any other animal that was approved from original application without prior written consent from Landlord.
9. No pets are allowed without prior written permission from Landlord and unless the "Pet Agreement" is attached to this rental agreement. Tenant shall **not** keep domestic or other animals on or about the premises without the **PRIOR WRITTEN CONSENT** of the Landlord (this includes visiting pets, "pet sitting," short-term pets, fish tanks, etc.). Any unauthorized pet is subject to a **\$500 UNAUTHORIZED PET FEE**, regardless of how long the pet is on the property. In addition, Tenant shall be charged the **PET ADMIN FEES** that would have been charged for the pet dated back to the beginning of this Agreement. Furthermore, the **\$500 UNAUTHORIZED PET FEE** will be charged for each month that there is an unauthorized pet on the property.

I have read, understand, and agree to the above pet policy in its entirety. I especially understand that failure to adhere to the terms of the agreement in its entirety will result in the termination of my tenancy of the premises.

BEDBUG ADDENDUM

This addendum modifies the SCR Form 410 Section 13 for bedbugs.

In reference to [X] RESIDENTIAL RENTAL AGREEMENT for the following address: {Property Address}

The undersigned Parties hereby agree as follows: Tenant is responsible for the treatment of bedbugs, unless otherwise required by law.

The persons and property of both parties have been free of any known bedbug presence during their ownership or competently treated to remove all known bedbugs and their eggs which can lie dormant for over six months.

The parties recognize that controlling bedbugs requires cooperation and only professional treatment. Attempted self-treatment may spread the bedbugs in the property and to adjacent properties. This can make professional treatment more difficult and expensive. Parties agree not to perform self-treatment on the property for bedbugs.

The parties agree to notify the other in writing as soon as possible but no later than 7 calendar days after seeing any signs of bedbugs on the property (personal injuries, sightings, or other evidence). Bedbugs typically live in bedding and feed on sleepers' blood so signs may appear in bedding or on the person. Failure to provide this notice is a breach of this agreement.

The tenants agree to be aware of bedbugs, signs of bedbugs, risks of bedbugs, prevention of bedbugs, treatment of bedbugs, etc. The most common signs are nighttime bites, small blood stains on bedding, insects in bedding, evidence of insects in bedding, etc. Bedbugs typically live inside mattresses and box springs. At night, bedbugs follow human exhaled carbon dioxide to feed on sleepers' blood. Bedbugs resemble fleas, ticks, or small roaches during their life cycle.

The tenants shall cooperate with bedbug prevention and professional treatment protocols for the property. Tenants shall remove or dispose of their personal property until professionally treated and shall obtain professional medical treatment for bite injuries on their persons and shall be responsible for these costs. Tenants performing regular vacuuming, regular home cleaning, encapsulating bedding, and hot laundering followed by heated mechanical drying may reduce the risk of bedbugs.

The parties agree not to engage in actions understood to be counter to the prevention of bedbugs such as bringing untreated used personal property onto the property without knowing the personal property to be free of known bedbug presence. High risk items: used untreated furniture, used untreated clothing/linen, luggage not protected from bedbugs during travels, etc.

The parties agree to make reasonable efforts to ensure that they, their guests, occupants, employees, agents, contractors, relatives, and invitees comply with these bedbug prevention, reporting, and treatment protocols.

Upon notice of bedbugs, owners shall obtain professional bedbug inspection and necessary treatment of the property in a reasonable time. The owners shall determine the professional treatment providers, the type of treatments, the necessity of treatments, the necessity of repeat treatments, and if common areas or adjacent properties should be noticed and/or treated.

The tenants shall cooperate in the professional bedbug treatment of the property including clearing furniture from baseboards and walls, removing personal property during treatment, and obtaining professional bedbug treatment of personal property before return, etc. The property may need to be temporarily or permanently vacated of all persons and personal property due to professional treatment. Tenants are responsible for their own moving, storage, and housing costs during professional treatment until possibly reimbursed through legal remedies. Tenant may be entitled to credit for some prepaid rent.

If the tenant fails to remove or obtain required treatment of personal property or cooperate with the professional treatment protocol for the property in a reasonable time, the owners may terminate the lease with a 30 calendar day notice or seek legal remedies including initiating ejection proceedings for breach of this agreement.

If the owners fail to schedule required treatment of the property in a reasonable time, the tenant may seek any legal remedies available or terminate the lease with notice not less than 7 calendar days.

If the tenants are uncooperative or absent for any reason longer than 8 calendar days after confirmed bedbug infestation, tenants consent to allowing the owners and professional bedbug exterminators to treat any property as required.

If additional treatments are necessary, this agreement remains in effect and all legal remedies remain available including ejection for failure to comply with any provisions of this agreement.

The parties understand that it may be difficult to determine the cause of bedbug infestation or require experts. Parties should provide themselves with adequate funds to cover their own costs and damages related to bedbugs (bedbug treatment, medical care, temporary housing, temporary storage, time and effort required to comply with this agreement, replacement personal property, distress, or other proximate damages) in situations where cause cannot be determined or until reimbursed through legal remedies.

Timely reporting of bedbug infestation (report to owners within 72 hours of sighting bedbug signs) will result in a partial security deposit refund check to tenants from owners in the amount of \$ 0 within 72 hours of receipt of report and written request for payment.

If a party admits responsibility or a court of competent jurisdiction determines a party to be responsible for the bedbug infestation, that party is responsible for remedies unless agreed upon liquidated damages are paid. Owners should consider obtaining bedbug insurance or bond if available. Tenants should consider saving funds to cover costs.

In a multi-unit property where the bedbug infestation spreads to other units or into the common areas and the tenant admits responsibility or a court determines the tenant to be responsible, the parties agree to tenant paying a settlement of liquidated damages of \$ Cost to professionally treat the entire property as needed. If tenant is moved into another similar unit during treatment or otherwise, rent shall be applied to that new unit upon possession; and tenant will professionally treat personal property or dispose of it properly offsite.

In a single-unit property, the security deposit will contribute to bedbug eradication costs.

The parties stipulate that that the assertion of bedbug infestation does not constitute a breach of warranty of habitability, a breach of warranty of quiet enjoyment, a violation of any nuisance provision of this lease or law, negligence, harassment, trespass, constructive eviction, infliction of emotional distress, battery, or a violation of housing/health codes.

The parties agree to indemnify any property management brokers, agents, principals, employees, contractors, etc. for any costs, legal fees, damages, fines, judgments, settlements, claims, liabilities, injuries, expenses, and attorney's fees arising out of or otherwise related to any assertion of bedbug infestation. Tenants are responsible for any costs to treat or move or store or seal or dispose of or replace personal property. Any portion of this agreement can be severed to preserve the remainder.

The herein agreement, upon its execution by both parties, is made an integral part of the aforementioned Agreement.

IN WITNESS WHEREOF, this Agreement has been duly executed by the parties.

Please sign below acknowledging that you understand these terms.

LEASE ADDENDUM - RESIDENT BENEFITS PACKAGE

Resident Benefits Package Overview

Agent has developed a Resident Benefits Package, which includes a Tenant Insurance Benefit, and a Payment and Service Benefit for the tenant. All rental units are automatically included in the Agent's Resident Benefits Package and therefore subject to a charge of **\$35** per month, which shall be paid along with the tenant's monthly rent payment. Charges shall be payable by the tenant immediately upon notice without exception. If for any reason the tenant does not pay their rent, Resident Benefits Package fee, any other outstanding balance associated with the lease in full or vacate or abandon property then the Resident Benefits Package for the leased premises and tenants associated with the leased premises will be considered 'not in force' and tenant shall be in breach of this lease agreement. The Resident Benefits Package is governed by the tenant's lease agreement and all terms, fee provisions and conditions apply. All payments will be credited first towards rent due.

Payment & Service Benefit Overview

Payment and Service Benefit costs are **\$35** per month less \$12 per month for the renter's insurance. The Payment & Service Benefit helps cover the cost of having all necessary HVAC filters delivered to the property approximately every 90 days, 24 Hour Maintenance Coordination Services, Multiple Payment Options including Free Online Rental Payments, Tenant Portal Access for payments, statements, lease documents, etc., Online Move In Inspection Reports, Resident rewards program through Pinata, credit building, Live Chat, our 14 Hour/Day/7 Days/Week Staffing Center to take phone calls and emails from our residents and utility set up service through Citizen Home Solutions.

Tenant Insurance Overview

All personal property located or stored on the Premise shall be kept and stored at the Tenant's sole risk. Tenant understands and agrees that neither the Landlord, Landlord's Broker, nor any representative of the Landlord shall maintain insurance coverage for the Tenant's personal property and personal liability, as the procurement and maintenance of such coverage is the sole responsibility of the Tenant. Further, the property owner's insurance does not cover damage to a tenant's personal property or personal liability. If any damage occurs to the property or a guest is injured on the leased premises, the tenant can be held personally responsible for the injury and damages.

Agent has procured and instituted a master tenant's policy that is included in the Resident Benefits Package. The Insurance Benefit cost is \$12.00 per month and no extra fees are charged to the cost of the insurance. Payment of this benefit in accordance with the terms of your residential lease agreement waives your obligation to provide a certificate of insurance for accidental damages arising from fire, smoke, explosion, and sudden and accidental water discharge caused by your negligent acts or omissions as described in your lease agreement up to \$100,000. The insurance only waives your liability to the property and does not waive your liability to any third parties. The insurance only applies to accidental damage caused by your negligent acts or omissions and does not apply to damages caused by your deliberate or intentional acts or omissions. The insurance only applies up to \$100,000; any amount in excess of \$100,000 remains subject to the lease agreement. Other coverages may apply to the tenant. Tenant shall receive, without an insurance application and insurance credit check, upon execution of this agreement, and shall maintain in full force at all times during the term of this Agreement, at tenant's expense, tenant's insurance provided by Agent. Subject to the terms, exclusions and limitations provided therein, the Agent's master tenant's policy provides the tenant with: Liability: \$100,000, Tenant Contents: \$10,000, Pet Damage: \$1,000, Bed Bug Remediation: \$500, Bacteria and Fungi Remediation: \$1,000, Deductible: \$250 - \$500 / \$1,000 for burglary. Agent is the named insured of the Master Tenant Policy and the tenant shall be named as additional insured for their leased unit. The tenant's insurance will commence on the move-in date as governed by the lease agreement. Tenants shall have access to the Master Tenant Policy and certificate of insurance at their request. Tenants will be responsible for contacting Agent for claims submissions. Tenants shall be responsible to pay any deductibles charged per incident for claims related to the leased unit. Conditions and exclusions apply, so please review the policy for details.

Opt-Out

If tenant chooses to Opt-Out of the Agent's master tenant policy then all charges of the Agent's master tenant policy associated with the Resident Benefits Package shall be removed from the Resident Benefits Package cost, however the tenant shall be responsible for the Payment & Service Benefit of the Resident Benefits Package. Tenant shall be responsible for paying the insurance fee portion of the Resident Benefits Package up until the date the tenant provides the required and acceptable proof of insurance and terms by Agent. Tenant shall be obligated to maintain property damage liability insurance in the amount of One Hundred thousand dollars (\$100,000) for damage to Owner's and third party's property with the provisions covering at least perils of fire, explosion, sewer backup, smoke and accidental water discharge. Policy or policies provided by tenant shall be written by a responsible, duly licensed carrier or carriers reasonably acceptable to Agent. The tenant's insurance company shall deliver to us Certificates of Insurance evidencing the existence and continuation of coverage and shall name Agent as additional interest and shall expressly provide that any interest of the same therein shall not be affected by any breach by the tenant of any policy provisions. Further, all insurance policies shall expressly provide that no less than thirty (30) days' prior written notice shall be given to Agent in the event of a material alteration to or cancellation of the policies. Once Agent receives and accepts the required insurance, Agent will remove tenant from the Agent's master insurance policy and tenant will be opted - out of the insurance portion of the Resident Benefits Package and tenant shall not be responsible for the insurance portion of the Resident Benefits Package. The tenant will still be responsible for the Payment and Service Benefit charge associated with the Resident Benefits Package. The cost of the Payment and Service Benefit

associated with the Resident Benefits Package is \$35 per month less \$12 per month for the renter's insurance . If for any reason, the policy or policies is canceled, Agent reserves the right to force place tenant insurance for the tenant at the tenant's expense for any premiums, fees, charges associated with such forced placement and coverage.

Insurance Disclaimer

Agent, AssetProtect from Lease Term Solutions, insuring company and broker have the right and full authority to change, amend, modify, or cancel; coverage's, limits, benefits, waivers, requirements, cost, master insurance policy and Resident Benefits Package at any time and tenant shall agree to comply with any such changes at that time. Tenant insurance is non-transferable to other tenants, leased units or properties. The Master Tenant Policy is in excess of any existing Renters insurance coverage available. The underwriting insurance company is responsible for all claims handling and claim decisions. Agent is not an adjuster and does not pay claims or make claim decisions. If the tenant chooses to purchase additional coverage to protect their own interests or property over and above the Insurance Benefit provided by Agent, the tenant can procure a renter's insurance policy at their expense. This is not Renters Insurance nor is it intended to replace a tenant's personal property or liability insurance policy. All Tenants should consult an insurance professional to evaluate and determine personal insurance needs.

The tenant agrees that Agent shall have the right and authority (without, however, any obligation to do so) to procure insurance, which charges shall be payable by tenant immediately upon notice and tenant further agrees that tenant has accepted the information about the insurance from the lease agreement.

Management Transition

Property Management transition consists of Owners selling the property managed by another company, Owners could cancel their contract with Agent as their property manager or Agent could choose not to manage the property for the Owner. Once the Tenant receives notification of this change it is important that Tenant understands that all benefits associated with the Resident Benefits Package, including insurance will cease and not be in-force. Tenants should purchase insurance elsewhere if they choose to have insurance coverage.

The tenant agrees and understands that the Resident Benefits Package and all benefits associated with the Resident Benefits Package including the Insurance Benefit will cease and not be in-force if:

1. Tenant fails to pay fees associated with the Resident Benefits Package
2. Tenant vacates the premises at-will or is forced to leave
3. Agent is not the property management company contracted to manage the property occupied by the tenant.

The preferred method of payment for rent and all other charges, with the exception of the security deposit, is by ACH online payment through the tenant portal. This is the safest, most secure, and most accurate way to pay and best of all, it is **FREE**. The benefits of paying online include no need for postage, no need for envelopes, no need to travel across town to drop off payment, the ability to make a payment 24/7 to avoid late fees, and you eliminate the possibility of the payment getting lost.

Using either single or recurring automatic ePayments, your rent will be paid from the bank account of your choice and applied to your account immediately. You can always confirm or change bank account information by logging on to the Tenant Portal, easily accessible from the www.marchantpm.com homepage, and accessing the "My Rentals" tab.

Please note that all electronic payments normally take *3 to 7 business days* to be fully processed between banks. Make sure to take this into consideration before initiating a payment. When making a partial payment, please remember that once a payment is initiated, the payment must fully clear before making another online payment. Please keep this in mind in order to avoid late fee charges. Tenant agrees to pay **\$30 NSF FEE**, (but not more than the current statutory limit) for each dishonored check/money order/ACH payment, regardless of the reason. In addition, **late charges will apply if the payment is not made good before midnight on the 5th of the month of the original rent due date**. All future rent and charges, if more than three payments are returned, must be paid in the form of cashier's checks, certified check, or money order, and must include the **\$7 PAYMENT PROCESSING FEE**.

Please also note that all payments are initiated solely by tenant from the checking account that you enter into your tenant portal. Agent does not have the ability to draft your account for payments. Tenant is responsible for initiating all payments. Tenant is responsible for making sure the end date for recurring payments is updated and accurate and for canceling recurring rent payments at the end of lease. Please note that late fees will be charged even if tenant neglects to change the recurring payment date.

Please note that security deposits must be paid by certified funds. By signing below, tenant acknowledges that they have read and understand all items listed on this Tenant Fee Schedule and Lease Summary page. Please note that none of these fees will apply unless you violate your lease agreement. Lease violations result in more time, labor, and resources and we must charge accordingly.
